

## Broadsmart® SmartFlex –

Broadsmart®, and Broward Farm Bureau have have developed a telephony program that will “turn some heads” by:

- ...improving customer service capabilities.
- ...allowing quick and easy expandability.
- ...eliminating geographical restrictions on business operations.
- ...ending capital expenditures on PBX systems.
- ...increasing productivity with easy to use features.

**SmartFlex®...Impact your bottom line through technology!**

## HIGHLIGHTS

**The Broward Farm Bureau/Broadsmart® Voice and Broadband Program starts as low as \$21.00 per seat** Additional seats, handsets, features, and broadband are available\*

Cisco  
7940G

\*Broadsmart® includes free Cisco 7940G handsets which connect to the system in your location where internet is available. Your multiple store sites can now be an extension of your PBX. The number of free handsets are determined by quantities ordered as follows:

8 seats = 1 Free 7940G Handset  
9-15 seats = 2 Free 7940G Handsets  
16 + seats = 2 Free 7940G Handsets

- **Free Cisco 7940G Handsets \***
- **View voice mails via your email \***
- **Free Local Long Distance**
- **Free 250 Domestic Long Distance minutes per seat \*\***
- **Bandwidth (ADSL, T1, Metro Ethernet) \*\*\***

**SmartFlex** is a Hosted, managed and converged, voice and Internet solution, for small to medium sized Business.
